**Comprehension:** (In other words, what does it say?)

Who's writing and who is he writing to?

Where is the writer and where is the letter going?

Why did he write this letter?

**Interpretation:** (In other words, what does it mean?)

What was the problem within the church?

How were the false teachers using the law? How is the law intended to be used?

How was God using Paul? How did Paul's personal history strengthen his message? Who was Paul's target audience?

Who are you instructed to pray for and for what reasons?

What does God desire?

Who is the one mediator and what did he do?

**Application:** (In other words, how do I apply this to my life?)

Paul has a strong/bold testimony and shares it often. What is your testimony? Do you allow God to use your past to further His kingdom?

Paul writes for Timothy to "fight the good fight", but what does "holding on to faith and good conscience" mean and how and it be done in your life?
