

Daniel 5-7 Discussion Questions:

1. Chapter 5 was about the "handwriting on the wall." Has God spelled out a warning to you? Were you able to understand it?
2. Chapter 6 - We saw that Daniel defied the king's decree and prayed openly. Would it have been a sin for him to shut the window and pray? What would you have done?
3. We are seeing a lot about faith and courage in Daniel. Have you taken a stand for your faith in any way this past week?
4. Are you the kind of person who likes archaeological, scientific and/or historical proof for the Bible or does that even matter to you?
