

## EXODUS 28-30

Describe the priestly garments. How do they contrast with what is worn by most clergy today?

What did the priest have to provide to be consecrated? What did they have to receive?

List and explain the process of the different offerings described in chapter 29. What was the purpose of these offerings?

What did the altar of incense symbolize? The census? The basin? The anointing oil?

Define "atonement"

How do all of these practices and instructions point to Jesus?

### **Reflection:**

What do you learn about the character of God in these chapters?

What do you have to do in order to approach God?
