

Job Chapters 32-42 Discussion Questions:

1. Can you recall a time in your life that you went through something difficult, but looking back now you would not change it because of the good that came from it?

2. Does suffering make us more compassionate and helpful to others who are suffering? Why or why not?

3. The testing of our faith can make us or break us. Can you recall a time in your life when your faith was severely tested? Did you come out stronger or beaten and bitter?

4. Take turns reading through the Scriptures on the handout "A Few Reasons Why the Innocent Suffer (from the New Testament)." Allow for discussion after each verse if time permits.

5. How will you handle yourself before God when your "day in court" comes?

How confident will you be before the Divine Judge?

What will be the basis of your confidence?

On what grounds can anyone confidently come before the Throne of Judgment?
