

Leviticus 22-27

Lev 22:

Sabbath: no work....but with exception. Discuss New Testament application (Matt 12:1; Romans 14:5-6a)

Lev 23:

Why were festivals so important? Why is the seventh day “set apart” repeatedly in the scriptures?

Lev 24:

How important is it to be equally yoked in faith with others? Potential modern day consequences?

Lev 25:

Share how relevant the Jubilee year is to our laws and freedoms today. (note: The *Liberty Bell* inscription is Lev 25:10)

Lev 26:

Discuss various current day rewards and punishments in relation to these verses for respect of the Law.

Lev 27:

How do we show true faith when we keep our vows to God and to each other? (Matt 5:37)

Reflection:

What consequences abound when laws are violated or twisted?

When the Law of God is diluted, what happens to society? Acceptance vs Obedience vs Tolerance...

Are modern day festivals important? How do you feel about holding sporting events or contests on the Sabbath or Sundays today?
