

Numbers 26 – 36 Discussion Questions

Numbers 26

Discuss instances where when God was with the Israelites and they obeyed, enemies were defeated. What happened when they turned from God?

Numbers 27-28

How was the law of inheritance like wills and trusts today?

Numbers 30

Consider reviewing and memorizing Bible stories for the final exam of life. See Joshua preparing with his final review for the challenges he will face and the vow he commits to.

Numbers 31

Was the hidden gold plundered by the commanders given to God as atonement or a guilt offering?

Numbers 32-33

Discuss the importance of severing ties completely with ungodly individuals and behaviors

Numbers 34-36

Compare the laws God outlined before His people could settle in the promised land to similar laws today (35:29-33)

Extra: Liken the importance of the cleansing rituals to those we have currently!

Reflection:

How can we pass on important traditions to others as well as make way for someone respectful and motivated to carry on after you?

Do you ask Jesus to bless your speech prior to your battles?

How can we discern God's direction, guidance and instruction?
