

## Acts

### **Acts Chapter 21:**

**Comprehension** – Did anything stand out to you in this chapter?

#### **Interpretation**

Why did Paul ignore those giving the warnings not to go to Jerusalem?

Verses 4, 11, & 12 made it very clear what he was to expect in Jerusalem, yet he continued on, and in verse 12 he almost rebuked them for it, why?

#### **Application**

Does having an understanding that we are about to go through hard times mean that God wants us to avoid that hard time or is He just strengthening us for what's to come?

Do you believe that if you follow God and trust Him to guide the steps of your life, that he will protect you from all hardships?

Paul was clearly ready to face whatever God had in store for him (verses 13-14), how do you feel about your own "life preparedness"?

### **Acts Chapter 22**

**Comprehension** – Did anything stand out to you in this chapter?

#### **Interpretation**

Why would Paul want to address this crowd of 'haters'?

When Paul addressed them, they listened closely...but when he said that the Lord told him to go to the Gentiles, they freaked out, why?

What about Paul being a Roman citizen alarmed the centurion?

#### **Application**

Paul never backs down, ever! Do you?

Does Paul beat people over the head with God's rules with his message? What exactly does he focus on? What does that show us we should focus on?
